

Pompom Sheep Craft

“Jehovah is my Shepherd; I will lack nothing.” (Psalm 23:1)

(Read instructions well)

Provided Supplies:

Included in the family bag:

- Cardboard template or pompom maker (we have provided only one pompom maker, thus, if your family will be making multiple sheep at the same time, you can use this pompom maker as a template to make another one)

Included in your individual plastic bag:

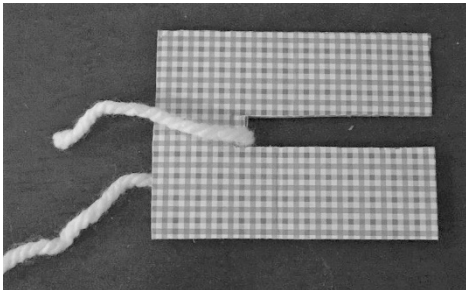

- 10 yards and 1 small strand of white chunky yarn
- 4 black pompoms
- 1 self-adhesive black craft foam
- 2 self-adhesive googly eyes
- 1 small strand of brown yarn
- Sheep face template

Other Supplies Needed:

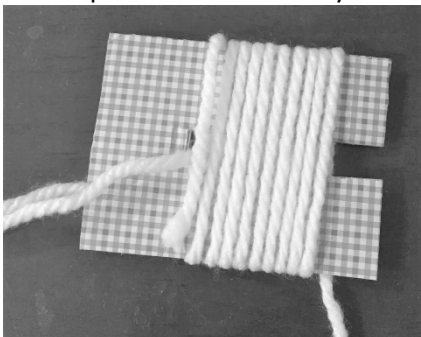

- Scissors
- Glue for yarn (Elmer’s white glue, glue gun or tacky glue)
- White crayon or colored pencil (optional)

Instructions:

1. Start by using the cardboard pompom maker, the white yarn plus the white yarn strand to make a big pompom.
2. Place the white strand in the gap of the cardboard.

3. Wrap the rest of the yarn around the cardboard as seen in pictures until all the yarn is used.

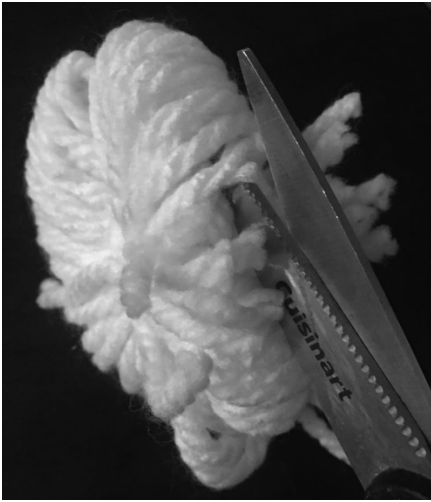

4. Use the white yarn strand to tie the yarn that is wrapped around the cardboard. Tie as tight as possible.

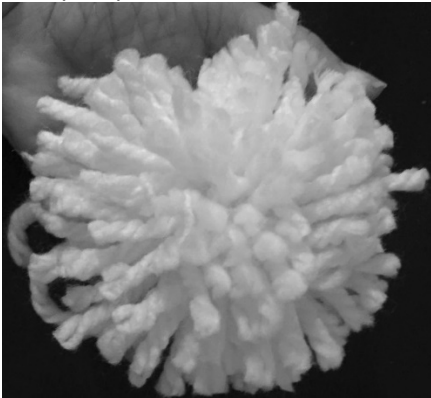

5. Slide it off the cardboard and turn it around to tie again.

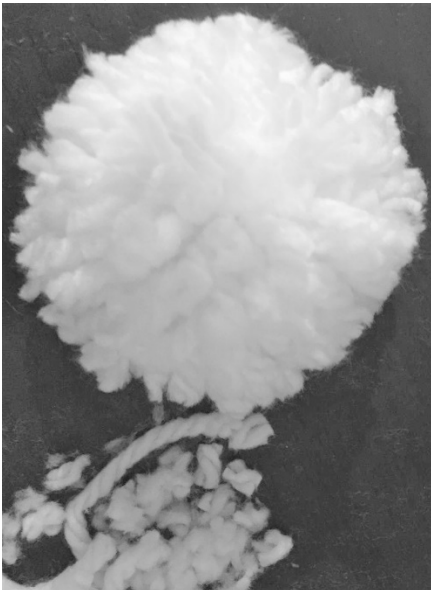

6. With sharp scissors cut all loops.

7. Fluff the pom-pom.

8. Cut excess yarn to round your pom-pom. (Give it a haircut...)

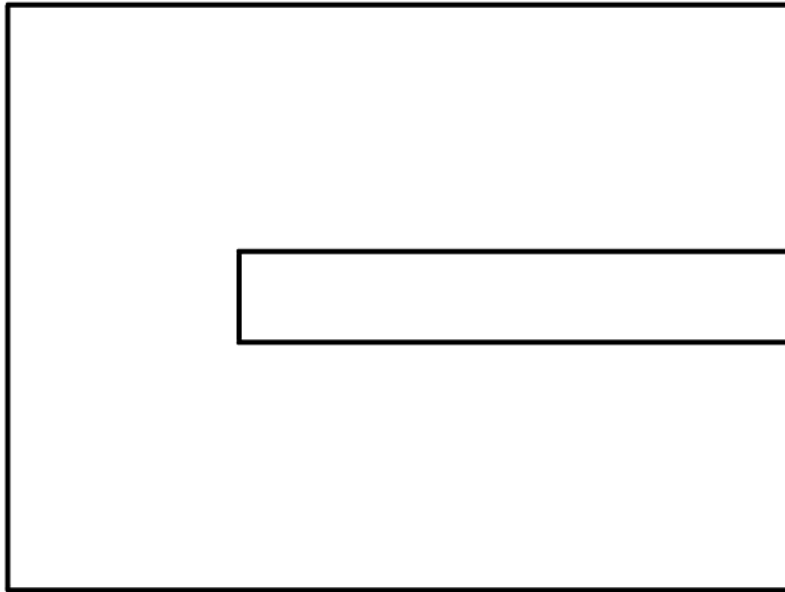

9. Use the four small black pompoms for the sheep's legs, test where these look best. (You could glue two black pompoms together first for front legs and then the two for hind legs). Glue them to the white pompom.
10. Use the sheep face template to draw the sheep's head on the back of the self-adhesive black foam square. Cut it out. If you want, you can draw a simple mouth using a white crayon or white colored pencil.
11. Attach the googly eyes, (although these have adhesive on the back, you might need to use a little bit of glue).
12. Attach head to the body. Remove the white paper on back of the self-adhesive felt. Press in the position of the head.
13. Glue the verse onto the black felt rectangle.
14. Hang the brown strand over the sheep's head.
15. Remove the white paper on back of the self-adhesive rectangular felt with the verse. Attach under the sheep's head placing the brown yarn behind it. Cut off excess brown yarn.

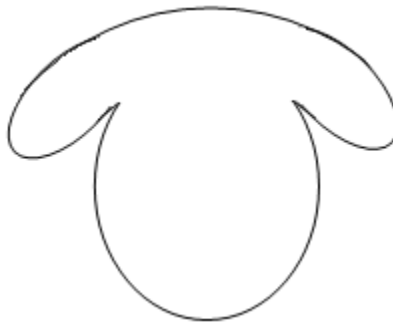

POMPOM MAKER TEMPLATE

(Make it with firm cardboard)

SHEEP'S FACE TEMPLATE

(Make it with self-adhesive craft foam, black felt or construction paper)

VERSE

Jehovah is my Shepherd;
I will lack nothing.
Psalms 23:1

Jehovah is my Shepherd;
I will lack nothing.
Psalms 23:1

Jehovah is my Shepherd;
I will lack nothing.
Psalms 23:1
