God Created Night and Day

God created night and day.
Night's for sleeping.
What's day for?

Day's for help with all my chores.
Day's for learning history.
Day's for reading a good book.
Day's for playing my guitar.
Day's for baking yummy bread.
Day's for playing basketball.
Day's for doing arts and crafts.
Days are best when I'm with you!
