

God's Design

God's design, God's design,
Look all around you,
It's easy to find.

God's design, God's design,
Fills us with wonder,
Amazed every time.

From mountains to-o the seas,
Flowers, bugs, rocks, webs,
Grass, shells, stars and trees.
God's design we-e can see
In things great and small,
Created for me.
