

# God's Design

A                    A7    D                    A  
God's design, God's design,

D                    A  
Look all around you,

E                    A  
It's easy to find.

                          A7    D                    A  
God's design, God's design,

D                    A  
Fills us with wonder,

E                    A  
Amazed every time.

From mountains to-o the seas,  
Flowers, bugs, rocks, webs,  
Grass, shells, stars and trees.  
God's design we-e can see  
In things great and small,  
Created for me.
