

Thank You, God

Thank You, God
For everything that You give me.
Thank You, God
For everything that You give me.
For everything that You give me,
Thank You, God.

For my parents, my siblings
And grandparents,
For my school, my teachers,
And my friends,
For everything that You give me,
Thank You, God.

For my house, my bed
And my blanket.
For my clothes, my shoes
And my toys.
For everything that You give me,
Thank You, God.
